

SHARK PLUGS

MASTERMIND EQ

Shape the mix. Keep the perspective.

A mastering-focused equalizer for broad tonal moves and careful finishing. Bring weight to the lows, clear room in the mids and open the top - then scale the whole EQ curve with one Amount control.

5 BANDS PER BANK	66 PRESETS	3 APPEARANCES
Bell and shelf shaping Independent HPF / LPF	Mix and source starting points 25 fictional-persona presets	Regular / Vintage / Digital Switch from the Shark logo

Make the next decision easier

Work in Stereo, Dual or Mid/Side. Use Bass Mono and Width to refine the image. Compare A/B/C versions, try Gain Match, and keep favorites one click away.
